¹ Provides access to the latest feature enhancements and platform updates for your Act! software released during your enrollment. Business Care is not required for continuous access to product fixes for supported versions. ² Phone support and live chat are offered 8:30 a.m. to 8:30 p.m. ET Monday through Friday for Business Care Gold and Business Care Silver customers. Act! Technical Support Advisors reserve the right to limit each call to one hour or one incident. ³ Offer cannot be combined with other promotions or discounts. The discount is off MSRP. ⁴ These products and services are provided by a third-party vendor. Discounts are available for Business Care Gold and Business Care Silver subscribers only. Swiftpage and its affiliates are in no way liable or responsible for any claims made related to products or services provided by third-party vendors. Swiftpage does not guarantee the quality of third-party products or services.

* Act! Certified Consultants are third-party vendors. Swiftpage and its affiliates are in no way liable or responsible for claims made related to the services provided by third-party vendors.

Important Note: Review Act! system requirements at act.com/systreq. You must purchase one license of Act! per user. Scalability varies based on hardware, size, and usage of your database. Visit act.com/marketplace or contact your add-on product provider to determine compatibility for your add-on products. **For Act! emarketing:** Basic account included (email up to 500 contacts per month). Product features vary based on services chosen. Visit act.com/act-emarketing for details. **For Business Care:** Credit card required to activate service. Business Care plans are automatically renewing and subsequent one-year terms will automatically be billed to the same credit card or drafted from the same bank account on the plan expiration date at the then current rate unless you contact us at least seven (7) calendar days prior. Swiftpage will notify you thirty (30) days in advance of your expiration date. Renewal is not required for continuous access to product fixes for your supported versions.
